## A MESSAGE TO OUR VALUED CUSTOMERS AND STAKEHOLDERS

Under the power sector reforms introduced through the Electricity Act No. 36 of 2024, Electricity Distribution Lanka (Pvt) Limited assumed responsibility for the electricity distribution functions carried out by the Ceylon Electricity Board (CEB). The EDL is empowered to implement reforms and operational improvements aimed at enhancing efficiency, reliability, and quality of service within the electricity distribution sector, thereby ensuring a more responsive and customer-focused electricity supply service to the public.
